Hosanalli Nagappa of Prithiweswaram village of Harpanahalli taluk was granted a loan of Rs. 400/- in Aglo. 16/36 for the purchase of a pair of bulls on the security of S.No. 247 B of the same village. He paid three instalments of the loan regularly and fell into arrears from F 1339. Summary recovery of the entire outstanding arrear was ordered on 18-3-1933. The hypothecated land S.No. 247 B was brought to sale on five occasions. The Tahsildar himself tried the last sale held on 10-7-1935. No bids could be secured. The land has been lying waste for the last 6 years, and it is reported to be overgrown with prickly pear and shrubs A small vanka also is said to be flowing from south to north. On account of these disadvantages and the gener economic depression, no bids could be had for this land. The defaulter who is residing at Hansikatti hamlet of Jolada Kudligi village of Kudligi taluk does not possess any moveable or other immoveable property that can be proceeded against. In these circumstances, I recommend that the sum of Rs. 340-9-9 due from the defaulter may
